**Subject:** Inquiry Regarding Frontend Web Developer Position - Faisal Hossen

Dear Mr. Smith,

I am writing to express my enthusiastic interest in the Frontend Web Developer position advertised on the TechNova Solutions website. As a dedicated Junior Frontend Developer with over two years of experience, I have successfully built more than 100 projects using the MERN stack. I am confident that my technical skills in creating responsive and dynamic web interfaces would be an asset to your team.

I would appreciate it if you could clarify two points regarding the recruitment process:

1. **Interview Process:** If my application is shortlisted, can the interview be conducted online?
2. **Joining Date:** What is the expected joining date for the selected candidate?

Thank you for considering my application. I have attached my resume for your review and look forward to hearing from you.

Best regards,

Faisal Hossen

Frontend Web Developer
